WORK EXPERIENCE

MARCH 2020 - PRESENT

DESIGNER

Band of Coders / Worked with developers to create UX/UI solutions for a wide variety of projects—from a sourdough baking app to a real estate management app to a massive-scale construction and roofing tool. Worked with teams across North and South America to carry projects from conception to development to execution. Worked closely with developers to fine-tune final products. Loved every minute.

MARCH 2020 - SEPTEMBER 2020

DESIGNER-BRAND AUDIT

Band of Coders / Worked as the sole designer auditing an established company's strengths and blind spots. Learned the ins and outs of the organization, and developed communication and design solutions to improve the business process from beginning to end. Created brand standards and guidelines, along with a new website, which led to an easier process for new clients and employees alike.

JANUARY - JUNE 2020

DESIGN INTERN

Bureau Christopher Knowles / Became part of a curious and innovative team creating experimental and community-focused design. Worked on communications systems and wayfinding iconography. Helped in the establishment of a design-oriented nonprofit, promoting the importance of everyday design and its role in the history of downtown Atlanta. Approached projects with curiosity and a playful spirit. Had the time of my life.

JULY - NOVEMBER 2019

DESIGN APPRENTICE

Mighty 8th Media / Showed up eager to get my hands on real client work. Tackled everything from small-scale publications to full-scale rebrands. Stayed curious and motivated. Learned a ton.

2017 - 2019

GRAPHIC DESIGN AND ART DIRECTION STUDENT

The Creative Circus / Busted my tail crafting fake ads and products.

2013 - 2017

FOUNDER OF ESTORIE FLORAL COMPANY

Estorie Floral / Made hundreds of bouquets and large-scale floral installations. Worked with clients to create bespoke floral designs for weddings, gallery openings, and other special events. Was responsible for all elements of project management, including timelines, invoices, wholesale orders, hiring contractors, and making super pretty floral arrangements.
